The Little Bell That Could Not Ring
By Donna Amorosia

Ring The Merry Bells

Ring the merry bells! Oh, ring them loud and clear!
Spread the word that it's our fav'rite time of year!
Hear the sound ring out and let the people shout that Christmas time is here.

Oh the bells seem to say, "Happy Holiday!" Ding! Dong!
You can hear their song, "It's almost Christmas day!"
Oh the bells seem to say, "Happy Holiday!" Ding! Dong!
You can hear their song, "It's almost Christmas day!"
"It's almost Christmas day!"

Drown Her Out!

We've got to drown her, drown her out!
She doesn't know what ringin's all about!
Her sound is so bad, so sad!
There's no doubt, ev'ryone will walk right out!
When we're playing we all agree that she always rings off key!

Solo: "That sounds AW-ful!"
Solo: And she stands so close to me.
All: What are we gonna do?

We've got to drown her, drown her out!
She doesn't know what ringin's all about!
Her sound is so bad, so sad!
There's no doubt, ev'ryone will walk right out!
And we know what we're talkin' (snap) about (snap). Yeah!

**Christmas Is Love**

Santa: Christmas is a time for sharing, love and laughter so much caring.  
Songs are sung and bells are rung at this time of year!  
All: Friends are gathered all together.  
They don’t mind the winter weather.  
Faces glowing, people showing so much love and cheer.

Why not give our love all the whole year through?  
We’ll find happiness, it’s not hard to do!  
Ev’ry day’s a time for sharing,  
Love and laughter, joy and cheer.  
The lovely things that Christmas can last throughout the year.

**It’s Christmas**

It’s Christmas! It’s Christmas with lights ev’rywhere.  
It’s Christmas! It’s Christmas and music fills the air!  
Snow falling, friends calling, what a joyful sound!  
Spreading the good news and gathering around.  
Bells ringin’, din-a-ling-in’ and all the people singin’!  
Christmas time is here, the best time of the year!

It’s Christmas! It’s Christmas with lights ev’rywhere.  
It’s Christmas! It’s Christmas and music fills the air!  
Music fills the air!

(only sung during curtain call)  
*It’s Christmas! It’s Christmas! We’re glad you were here.*  
*It’s Christmas! It’s Christmas! We wish you all good cheer,*  
*And a Happy New Year!*
